Study Guidelines for the Elite Athletes College Credit Program

2016.11.9 Passed at the 1st Academic Affairs Meeting of Academic Year of 2016
2018.10.31 Amended at the 1st Academic Affairs Meeting of Academic Year of 2018
2019.4.24 Amended at the 2nd Academic Affairs Meeting of Academic Year of 2018

- Article 1 National Taiwan Normal University (hereinafter referred to as the “University” or “NTNU”) hereby establishes the Elite Athletes College Credit Program (hereinafter referred to as the “Program”) in accordance with the University’s *Regulations on the Establishment of Credit Programs* for the purpose of cultivating outstanding athletic talent. The organizing unit of this Program is the College of Sports and Recreation.
- Article 2 Students enrolled in the University who are not in their final year of studies may apply to join this Program.
- Article 3 In principle, 50 students shall be accepted to the Program each academic year. The number of students accepted may be increased at the discretion of the organizing unit depending on the number of applicants, but it shall not exceed 60 students.
- Article 4 Applications to the program will be accepted in the 2nd semester of each academic year, with the actual application deadline subject to announcement. At the time of application, the application form and the original copy of the student’s academic transcript must be submitted.
- Article 5 Students in this Program shall take a minimum of 12 credits. More than half of the credits shall not be from the student’s required courses in their major, minor, and other programs. Please refer to the Elite Athletes College Credit Program Course List for further information.
- Article 6 Students in this Program who have completed the required course credits with a passing grade may apply to the organizing unit for a certificate of completion of the Program. The University shall issue the certificate after verification.
- Article 7 Students in this Program who do not complete the required course credits during their period of study as an undergraduate student may apply to continue their studies in the Program during their master’s and doctoral degree programs.
- Article 8 Any matters that are not addressed in these Guidelines shall be governed by the relevant regulations.
- Article 9 The Guidelines shall take effect after passage by the Academic Affairs Meeting. The same shall apply to any future amendments hereto.
