WHY?

**COURSE FOR
BASKETBALL COACHES**

JANUARY 13-14, 2026
KAUNAS, LITHUANIA

Basketball is a vital part of Lithuania's national identity — and Kaunas is its beating heart.

By joining the course here, **you'll gain unique insights** from a country that has turned basketball into both a culture and a science.

The Lithuanian School of Basketball, world-renowned for developing exceptional players and coaches is built on the legacy of Lithuanian Sports University, where **nearly 90% of the nation's professional coaches have been trained at LSU.**

This course unites top basketball practitioners and leading sport scientists, offering participants a **unique blend of practical expertise and innovative research** from Lithuania's basketball elite.
